

**Friday 17th & Saturday 18th November 2017**

The Chorlton Challenge is the annual survey of Chorlton's 28 pubs and bars which serve cask ale.

Spread over two days, the challenge is to visit all 28 pubs but if you can't make the full weekend just drop in when you feel you can to support your local pubs. If you know the area then it may be a chance to visit pubs you don't regularly go to.

All times approximate. If need to check where we are up to, call 07802 555163 or 07879 880972
